

Grant Application Guidance Notes

The Grants Committee accepts applications for financial help from physically disabled people resident in Edinburgh and the Lothians.

When applying for funding towards the cost of specialised equipment we would ask that the applicant has been assessed using the equipment prior to the application being submitted.

WE DO NOT GIVE GRANTS FOR THE PURCHASE OF POWERCHAIR, SCOOTERS OR BATTERY PACKS.

GRANTS TO PAY ROUTINE BILLS OR DEBTS WILL NOT BE CONSIDERED

Applicants requesting computer equipment may be subject to an assessment by Ecas.

Wherever possible Ecas purchases goods and holidays direct from the supplier. Full details should be stated on the application form. Funding will not be given for small pieces of domestic equipment.

RETROSPECTIVE PAYMENTS WILL NOT BE MADE

HOLIDAY APPLICATIONS UK ONLY

Applicants are warned not to make any commitment, financial or otherwise, prior to hearing the outcome of their application.

Please allow 8 weeks in advance of departure date when submitting an application form. Late applications may not be considered. Holidays may not be funded in full.

Ecas strongly recommends you insure your holiday, and the premium can be included in the costs. If you then do not travel and successfully reclaim the costs of your holiday from your insurer, you undertake to reimburse Ecas.

RETROSPECTIVE PAYMENTS WILL NOT BE MADE

Medical Criteria

Ecas follows the EHRC guideline that: "You are disabled under the Equality Act 2010 if you have a physical or mental impairment that has a 'substantial' and 'long-term' negative effect on your ability to do normal daily activities.

- 'substantial' is more than minor or trivial, e.g. it takes much longer than it usually would to complete a daily task like getting dressed
- 'long-term' means 12 months or more, e.g. a breathing condition that develops as a result of a lung infection."

However, please remember that Ecas only provides support to people who have a physical disability. We regret that the following conditions do not meet the criteria for the Ecas Grants scheme:

Arthritis, back pain, cardio-respiratory conditions, obesity, psychiatric disorders, learning difficulties, behavioural disorders, developmental delay, Down's syndrome, autism, visual or hearing impairment, cancer, diabetes, HIV and epilepsy.

What will funding be considered towards? Applications should be for something that will enhance the applicant's life. Past grants have been for: washing machines, fridge-freezers, cookers, lap-top, furniture, car adaptations, sheds, iPads, holidays, carpets. Funding will not be given for small pieces of domestic equipment. Grants cannot be made retrospectively. Grants to pay bills or debts will not be considered.
